Trusting Your Inner Compass - This begins our amazing series to receive gifts for **Advanced Spiritual**

Awakening. The meditation clears and frees our inner compass needle so we can trust that it will always lead us on our highest evolutionary path. We reconnect to the 'felt-sense' or 'gut-instinct' of our natural knowing. We create a field that will guide us, even when we forget to ask.

12 Gifts for Advanced Spiritual Awakening

To support us in 2017, this **Year of Awakening** our monthly meditations will be a 12-month program to facilitate the awakening of our spiritual gifts. This includes powerful one-of-a-kind processes, initiations and lessons to awaken our knowing, clairvoyance, soul traveling, and healing abilities. At the more advanced levels we'll play with astral projection, navigating in Dream Time, reading the Akashic records and anything else that the Universe wants to give us in this pivotal year.

This is a year of rapid expansion. This series will help us make the most of it, anchoring even the highest cosmic principles into our daily life.
