### **Updating Your Merkabah / Light Body.**

The Schumann Resonance or Earth's vibration has never been higher. It is imperative now that we upgrade our personal electromagnetic field or Merkabah so that we can easily and fully embody the high frequencies that are coming in. This is an essential and extraordinary meditation!

## **2017 Subscription 12 Gifts for Advanced Spiritual Awakening**

To support us in this **Year of Awakening** our 2017 monthly meditations (available by subscription) will be a 12-month program to facilitate the awakening of our spiritual gifts. This includes powerful one-of-a-kind processes, initiations and lessons to awaken our knowing, clairvoyance, soul traveling, and healing abilities. At the more advanced levels we'll play with astral projection, navigating in Dream Time, reading the Akashic records and anything else that the Universe wants to give us in this pivotal year.

This is a year of rapid expansion. This subscription series will help us make the most of it, anchoring even the highest cosmic principles into our daily life.
