

Dear friends of MARK,

We all love the work of MARK. And we know that listening to Jonette channeling MARK is so much richer and more intense in a group. This is the why there are many local MARK groups across the world. BUT, not all of us can conveniently attend such a MARK Group on a regular basis. Therefore we are founding the Virtual Mark Group (VMG) to help people gather using the internet at a convenient time for Europeans (9 pm /21:00 CET) in a virtual group to experience and discuss MARK together.

It is a **WEEKLY** gathering for the most current MARK course. Those who have **purchased** the current MARK series can gather, listen together and discuss the class. If Jonette is traveling and there is not a current class, we will listen to a recent previous series. (You must also have purchased this series from the Center for Creative Consciousness at [www.JonetteCrowley.com](http://www.JonetteCrowley.com) ).

If you are subscribed to the weekly channelings you will receive an invitation to the chat room with the proper link. This service is offered free of charge to all participants of the current course. This will be every **Monday at 9 pm /21:00 CET**. This is the link to the weekly chat room: <http://us20.chatzy.com/27538851218180> The password is "jonette." Please login 30 minutes before the meeting. In case of problems please contact Asar under [asar@welcome-home.li](mailto:asar@welcome-home.li) so he can help you before the session starts.

You will receive an invite from Asar.

Love Asar & The Center for Creative Consciousness Team
