2017 Subscription - 12 Gifts for Advanced Spiritual Awakening

To support us in this **Year of Awakening** our 2017 monthly meditations (available by subscription) will be a 12-month program to facilitate the awakening of our spiritual gifts. This includes powerful one-of-a-kind processes, initiations and lessons to awaken our knowing, clairvoyance, soul traveling, and healing abilities. At the more advanced levels we'll play with astral projection, navigating in Dream Time, reading the Akashic records and anything else that the Universe wants to give us in this pivotal year.

This is a year of rapid expansion. This subscription series will help us make the most of it, anchoring even the highest cosmic principles into our daily life.
